Since his debut “The Middle Way” in 2005, singer/songwriter/performer/producer **SHANE ALEXANDER** has forged a captivating style that blends west coast folk, rock, psychedelia and spirituality. Songs from his extensive catalog have appeared in over 100 television shows and films. Having toured the US and 11 other countries, both as headliner and as support for acts like Bon Iver, John Hiatt, Suzanne Vega, Jewel, Seal and Yes, the fiercely independent artist has developed a loyal international fanbase. This fanbase was further enhanced in recent months when 'Skyway Drive-In', a solo acoustic track from the album Ladera, crossed over 14 million streams on Spotify. Alexander's current single, "I'll Be Here" was written and recorded on 10/2/17 - within hours of the senseless shooting in Las Vegas.
