

A smoke-free and alcohol-free coffeehouse-style concert series hosted by Gary & Kathy Lynch

This *May* Be One of Our Most Entertaining Shows Ever!

The Porch Girls From humble beginnings jamming on the porch in Topanga Canyon, the Porch Girls has grown into an entertaining high-energy roots band. Their collective magic is delivered courtesy of Dina Fraboni on vocals, autoharp, jumping jack and shakers; Dana Wood, who contributes tasty vocals, mandolin and accordion; Jon Shea, a guitar god who also rounds out the vocal harmonies; and Steve Janowski thumpin' up the bottom on his eucalyptus upright bass. Be forewarned: You WILL have a ton of fun! Visit www.reverbnation.com/theporchgirls for more!

Brad Colerick Billboard Magazine called Brad Colerick “one of a baker’s dozen of acts to watch in the folk community around the world.” He moved from his native Nebraska to Los Angeles in 1986 and built a successful career making music for commercials. He’s had the pleasure of working with a long list of legendary artists including BB King and the late Johnny Cash. Brad’s CDs have landed in the Top 5 of both the Folk DJ and Euro-Americana charts, and he has played hallowed stages across the country from Freight & Salvage and McCabes in the west to The Bluebird and Birchmere back east.
