# Two of Our Favorite Acts On The Same Night!

## Tracy Newman and the Reinforcements

The word "multi-talented" is often over-used, but in Tracy Newman's case it's a perfect fit. Tracy is a gifted songwriter, angelic singer and delightful entertainer. She is also an incredibly talented TV writer with an impressive list of credits. A founding member of the legendary Groundlings improv group, Tracy was a staff writer on *Cheers*, wrote for several other comedies including *The Drew Carey Show*, won an Emmy and a Peabody Award for the groundbreaking "coming out" episode of *Ellen*, and co-created the long-running series *According to Jim* starring Jim Belushi. Many of Tracy's wonderful songs are imbued with the great wit and humor that have made her so successful as a comedy writer. Her band, Tracy Newman and the Reinforcements, also includes Gene Lippmann (guitar/back-up vocals), John Cartwright (bass), Paula Fong (back-up vocals) and Doug Knoll (drums). You

will love their heavenly harmonies and musicality. We are so thrilled to have Tracy and her band grace our stage at long last! For more details and all things Tracy, visit [www.TracyNewman.com](http://www.TracyNewman.com).

## Dave Morrison

has been a crowd-pleasing member of the Camarillo Café family of performers for many years, and when we took over, he was the first act we booked. That was almost five years ago, so it's high time we got this talented guy back! Dave has an instantly recognizable voice and style, and many of his songs are genuine and thoughtful reflections on the gritty details of life. American Songwriter magazine gave his last CD a five-star review, and a senior editor placed it in his top ten albums between Joni Mitchell and Bruce Springsteen. Onstage, Dave brings a riveting focus to these intelligent, poetic songs. Dave will be accompanied by Greg Krueger on mandolin and dobro, Scott King on bass, and Merritt Raff on percussion. "The impact of his songs is enhanced by his story telling, quirky humor, charm and ability to connect with the audience on a warm and human level." - Karl Smiley, Summit Center Concerts.
