An Evening of Great Songs and Singers!

Shelby & Tieg

So much of the music young people listen to, write and perform today is dark and even nihilistic. Then along comes a gleam of light in the form of Shelby & Tieg. Armed with gorgeous voices and Tieg's beautiful acoustic guitar accompaniment, they have created a unique sound in their choice of harmonies. They are both trained musicians: Shelby is a studio singer, and Tieg a guitar teacher. In their concerts, they perform original songs as well as covers, including "Mr. Rogers' Neighborhood" and a few Disney classics like you've never heard them sung before. They've been described as a modern Simon & Garfunkel, if one was a female. Anyone who aspires to a singing career should not miss Shelby & Tieg. They will show you how it's done. Get to know them better at www.shelbyandtieg.com.

Kevin Fisher

is a multi-platinum selling songwriter. Rascal Flatts, Sara Evans, Uncle Kracker and many others have recorded his songs. The TV shows *True Blood*, *Pretty Little Liars*, *Brotherhood*, and *The Riches* have used his music. He had a top-40 country hit with his song "Crazy Life" and has written two touring musicals, a cartoon, and many compositions for multi-media marketing presentations. Kevin also teaches songwriting and is developing a program that encourages self expression through songwriting. But the reason you're going to want to come see him is that he is a dynamic and talented singer, guitar player and entertainer who delivers his original compositions like no one else can. "Kevin Fisher's songs are honest, poignant, beautiful and wry, supported by lovely production that 'frames the picture' perfectly. Like a long-overdue hang with a old friend, this music is good for the soul." - Michael Carey. Go to www.kevinfisher.me for more info.
