Our May Show: Great Music and High Energy!

The Koles are a 3 piece acoustic and vocal trio. Arlene Kole is joined by husband Bill Kole and the amazing Jim Rolfe to bring you fantastic three-part harmony and unique arrangements of both popular and original songs. All members play multiple instruments, so each song has its own unique sound. This husband and wife team with a quirky Canadian sense of humor makes for a funny and entertaining show incorporating deeply heartfelt and intimate songs about life, family and relationships. Their live shows caught the attention of Music Connection Magazine, who recognized them as one of the top 100 live indies in the USA for both 2009 & 2012. **Arlene** has sung hundreds of sessions for television, records, and commercials. A composition she and Bill penned was performed by the Edmonton Symphony Orchestra. **Bill** is an award winning artist and engineer/producer in his own right and was distributed by A&M records in Canada in the 90's for his eponymous debut CD. He won the largest songwriting contest in Canada. Bill has worked as a successful composer for American Idol, NBC, MTV, FOX, numerous feature films and for major advertisers. **Jim** is an amazing multi-talented musician who has been a staple in the LA music scene as both a live and a session player. Jim's amazing ability to play almost any instrument adds to the depth and variety that the Koles exhibit in their shows. The Koles are an absolute must-see concert experience! You can learn more about them at www.TheKolesMusic.com.

John Batdorf's distinguished career has spanned the breadth of the music industry. Starting in the 70's as a recording artist with *Batdorf & Rodney* and *Silver*, he made records and toured the U.S. and Canada for most of the decade. His bands headlined many shows and opened for many of the legendary acts of the time. John spent the 80's writing songs for *America*, England Dan and Kim Carnes, and his unique voice also augmented hundreds of hit songs, jingles, movies, and TV shows. In the 90's, John produced records and commercials and scored the CBS series "Promised Land" and "Touched By An Angel" and the movies "Book of Days" and "The Best Two Years". When John last played for us in 2012, folks traveled from as far away as Hawaii to be in the audience. When you hear John in his latest role as touring singer/songwriter, you'll understand why his songs have meant so much to his fans for over three decades. Plus you're going to want to see who wins the distance-traveled award this time! Visit www.JohnBatdorfMusic.com for more details.
