It's Comedy Night: Prepare to LYAO!

actual size: Ever since the dawn of time, funny songs have roamed the barren landscape of popular culture in search of some way to measure their relative hilarity. Now, through a miracle of science, **actual size** is able to perform funny songs in their natural, unadulterated, organic, non-GMO, salmon-friendly state and instantaneously provide precisely provoked, real-time, audience bio-feedback reaction data (in the form of spontaneous laughter), regardless of the locale or lighting conditions. **actual size** features: ANDY CORWIN, an alumnus of the wildly popular political comedy/folk music quartet **The Foremen** and a current member of the legendary folk group **The Limelitters**; and STEVE GOODIE, a founding member of **The Two Jew Revue**, a musical comedy act whose songs are still played on the Dr. Demento radio show. A professional standup comedian, Steve has toured the country and has appeared on Showtime, Comedy Central, and the Today Show. Steve has been the emcee at the world-famous Bluebird Cafe in Nashville since 2007. Together, Andy & Steve's soaring vocal harmonies, mesmerizing lyrics and fetching outfits make them a farce to be reckoned with. Check 'em out at www.ActualSizeDuo.com.

Carla Ulbrich is a comical singer-songwriter-guitarist and Professional Smart Aleck visiting us all the way from New Jersey. Primarily known for writing humorous songs about such topics as wedgies, Waffle House, Klingons, and how rich she would be if she had a copyright on the 'F' Word, she has won numerous awards including First Place in the South Florida Folk Festival Songwriter Competition and "Novelty Song of the Year" at the Just Plain Folks Awards. Carla cites her biggest musical influences as Sesame Street, camp songs, and cat food commercials. Carla is also a survivor of catastrophic illness and author of the resulting book, "How Can You

NOT Laugh at a Time Like This?" During her many hours in doctors' waiting rooms she wrote humorous parodies lampooning her frustrating experience with the US health care system, which she released on her best-selling 2004 CD "Sick Humor." Currently at work on her sixth CD (which will be fresh off the presses at the show), Carla has toured all over the US and England and has appeared on ABC, USA Network, the BBC, Dr. Demento, Sirius XM Radio, and The Bob and Sherrie Show.
