BERKLEY HART have found something that works. Each of their six albums have either won or earned nominations for San Diego Music Awards (SDMA) and all have received critical acclaim. The combination of Kerrville New Folk Songwriter Award winner, Jeff Berkley, and stand-out wordsmith, Calman Hart, creates a pairing that has become one of the premier acoustic duos touring the country.

Every Berkley Hart show is packed with entertainment as the duo combines their natural down-home humor with poignant, delicate, masterfully crafted lyrics delivered with stunning harmony and musicianship. Between songs, the obvious camaraderie between these two top songwriters shines as they effortlessly play off each other in what can only be called genuine comedy. Add in virtuoso playing from both Jeff Berkley (guitar) and Calman Hart (guitar, harmonica) and it's easy to see why the two have become live favorites. But the real stars are their songs. Whether it's one of their tender love songs, one of their pointed social commentaries or one of their hysterical romps into satire, every song features the same attention to detail and perfection in expression that have made the duo so respected by their peers and so loved by their audiences.

GARY STOCKDALE is a 2-time EMMY-nominated composer with an impressive resume of TV and movie composing credits. Fresh out of college, Gary was mentored by perennial Oscar-winning composer Henry Mancini and from there went on to work with movie and television luminaries, like Roger Corman and Lalo Schifrin. Since 1990, he's been the main composer for the *Bad Boys of Magic*, with Penn & Teller. Leading the band on their critically-acclaimed variety series, Penn & Teller's *Sin City Spectacular*, he received his first EMMY nomination for his role. Gary has also composed for shows such as *Sabrina, the Teenage Witch, To Tell the Truth, Comedy Central's Last Laugh*, and 8 seasons of Showtime's award-winning *Penn & Teller: BULLSHIT!* Gary's well-known theme for that show garnered him another EMMY nomination. He also wrote music for the cult-favorite movie, *THE ARISTOCRATS*, by Penn Jillette and Paul Provenza.

With Spencer Green, Gary co-wrote the irreverent adult musical *BUKOWSICAL!*, which won the Most Outstanding Musical Award at the New York Fringe Festival in 2007. This year the pair has a new musical, *BUMPERSTICKERS*, in the LA Fringe Festival. As a performer and singer, Gary was an original member of the Brian Setzer Orchestra and was a soloist in the cult classic musical TV series *Cop/Rock*. His latest CD, *Sure Of Mice Elf* has become an indie favorite, and he's been playing to appreciative audiences at various comedy and music venues around the country.
